Thoughtfully Designed Living

Awarded the Livable Design Seal of Approval, The Trousdale offers innovative living. Keyless entries and secure parking enhance safety, while features like Wi-Fi and responsive lighting that recognizes when you enter a room provide increased function, flexibility and convenience.

At Your Service

At The Trousdale, you will experience personalized service to schedule transportation, obtain tickets to your favorite show, order meals for delivery or reserve a private dining space for a special occasion. Additionally, you'll have the services of a wellness clinic at your fingertips.

A Culture of Excellence in Service and Care

We offer assisted living and memory care with a partners-in-care approach to encourage a dynamic, comfortable lifestyle with personalized support and enriching programs. For residents living with dementia, we offer a program designed to reduce stress, enable choice and enhance well being.
