

Transparency Certificate of Excellence Awarded to Peninsula Health Care District

Burlingame, Calif., (November 4, 2022) — Peninsula Health Care District received the District Transparency Certificate of Excellence by the Special District Leadership Foundation (SDLF) in recognition of its outstanding efforts to promote transparency and good governance.

“This award is a testament to Peninsula Health Care District’s commitment to open government,” said, Cheryl Fama, CEO. “Our staff is to be commended for their contributions that empower the public with information and facilitate engagement and oversight.” To receive the award, Peninsula Health Care District demonstrated the completion of essential governance transparency requirements, including conducting ethics training for all board members, properly conducting open and public meetings, and filing financial transactions and compensation reports to the State Controller in a timely manner.

SDLF is an independent, non-profit organization formed to promote good governance and best practices among California’s special districts through certification, accreditation, and other recognition programs.

Special districts are independent public agencies that deliver core local services to communities, such as Utility, wastewater treatment, fire protection, parks and recreation, healthcare, sanitation, mosquito abatement, ports, libraries, public cemeteries and more. Districts are established by voters and their funding is approved by voters to meet specific needs through focused service. They can be specially molded to serve large regions or small neighborhoods depending on the need.

About Peninsula Health Care District: Founded in 1947, the Peninsula Health Care District serves the communities of San Bruno, Millbrae, Burlingame, Hillsborough, San Mateo, and Foster City by supporting the unique health and wellness priorities of our Peninsula communities, and safeguarding access to health services, today and in the future. PHCD fulfills its commitment to the community through oversight of District assets and infrastructure, planning for future health care needs, and investing taxpayer dollars in local health-focused organizations and programs.
